❑ MISSION :

"Bahujan Hitay Bahujan Sukhay through Higher Education". Spreading higher education to the masses has been the very thrust of this College since its inception in 1971.

❑ VISION :

Annasaheb Magar Mahavidyalaya commits itself to becoming an institution of Educational Excellence. It has been imparting higher education for bringing about a socio economic balance through the development of rural area, resulting ultimately in an all inclusive development. This change is being brought about by strengthening the character and personality of its students through the following measures -

- ❑ Provision of modern educational facilities to the students.
- ❑ Equipping the students with relevant knowledge, ICT and holistic development methods in order to face global challenges
- ❑ Personality development programs to enhance the traits of the students
- ❑ Introduction of vocational, job oriented courses at UG level.
- ❑ Professional courses at PG level
- ❑ Making the student aware of human rights, value systems, culture, scientific temperament and environmental issues.
- ❑ **Making available all facilities to the students coming from semi-urban and rural areas in order to empower them.**
