➤ **Introduction:** The context that required the initiation of the practice:

In today's world plastic has become a major threat to the livelihood of mankind and other living beings. With the increasing use of plastic the environment is becoming polluted at rate seen never before.

Therefore it has become the need of the hour to say no to Plastic.

Therefore the college has started the campaign 'Say No to Plastic'

➤ **Objective of the practice:**

The main objective of the campaign is to make the campus plastic free and at the same time make the students aware of the hazards that plastic especially single use plastic has created.

➤ **The Practice:**

Single use plastic is totally banned in the campus. The single use tea cups in the canteen are banned. Plastic packing materials are also not used. The plastic wastes that come to college are properly disposed. The 'Reduce, Reuse and Recycle' policy is adopted. Plastic Free Campus: To create awareness on the hazards of use of plastic, especially single use plastic. Single use plastic is totally banned in the campus. The single use tea cups, plastic packing materials are not

used. The plastic wastes that come to the college are properly disposed. After the implementation of this practice the use of single use plastic is reduced. The plastic wastes are segregated and properly disposed. The students also realise the need of "Reduce, Reuse and Recycle" plastic. The main hurdle is making the students internalise that plastic hazardous. Resources are- Students, Safaiwalas, Town Committee.

Awareness lecture was conducted by institute by **CEO of Sagar mitra foundation Mr. Bodhankar sir**. Plastic waste collected by staffs and students on 22nd of every month and handover to sagar mitra trust for recycle of plastic.

- **Obstacles:** faced if any and strategies adopted to overcome them:
The main hurdle in implementing this practice is making students internalize the fact that plastic is hazardous. They are so accustomed to the use of plastic that they throw plastic wraps here and there.
- **Impact of the practice:** After the implementation of this practice the use of single use plastic is substantively reduced. The plastic wastes are segregated and properly disposed. The students also leave the institute with the understanding that they should Reduce Reuse and Recycle plastic.
