- Industry-Academic interface is weak. This often leads to an earnest gap between the industry requirements and academic outcomes.
- Limited funding opportunities for research and innovation
- Less numbers of consultancy
- Lack of PG courses
- Boys Hotal is not available

#### **Opportunities:**

- The College endeavors to be in constant touch with the Alumni support towards providing career guidance and placement to students.
- Collaborative research with local ICAR Institutes and reputed agenies
- Strengthening Institution's Innovation Council (IIC) to inculcate entrepreneurship skills in students.
- Opening of new market-oriented programs and skill -based courses

#### **Challenges:**

Faculty members have limited scope for research and publication.

- Develop research culture in the institute.
- Attracting funding agencies for academics and research activities.
- Coping with rapidly changing technology and industrial needs.
- Attracting reputed Industries for the campus placement activities

#### **Section IV:Recommendations for Quality Enhancement of the Institution**

(Please limit to **ten major ones** and use telegraphic language) (It is not necessary to indicate all the ten bullets)

- More PG Courses have to be introduced such as M Sc Botany, M Sc Zoology and M Sc in Clinical Psychology
- More qualified faculties need to be recruited to maintain FSR
- Project work/field work/ internships for students should be increased.
- Financial support to attend conferences/workshops should be provided.
- Industry Academia linkage should be strengthened by more MoUs.
- Placements and progression to higher studies needs to be improved
- Generator and lift facilities should be implemented
- Internal resource generation through consultancy required
