Report

Generally, the department allots the students to the faculty of the department to perform as mentors. The Head of the department is the mentor for all the SYBA and TYBA students of the department with English as their special subject. Rest of the faculty is assigned with students who are of Compulsory English in the FYBA & F Y B Com.

The function of the mentor is to assist the students in their personal and academic problems. All the mentors maintain the record of their mentee in a given form. In case of their lapses in their attendance in the class room, the mentors contact the students to know the reason and thereon to resolve the problems. Mentors identify the students with their learning abilities as **slow learner** and **advance learner** and accordingly the activities are conducted in the department to develop their abilities. The mentors also analyze the performance of the students in both formative and summative evaluation and also analyze their final result and accordingly it is communicated to the mentee and their parents/wards in the **Parent Teacher Association Meeting**. Sometimes meetings are held of mentor and mentee as per the requirement or emergency. Otherwise the mentee is open to approach their mentor whenever they feel the need to or urge to meet the mentor. The mentors have adopted the **Open Door Policy** to resolve the issues of the mentee. So a mentee can approach the mentor whenever they want to personally or on the digital platform too.
