And
Silver Pixel studio, Wagholikar Park, Ashoknagar, Baramati 413101**

The Institute, established in 2006 by renowned audio visual editor and graphic designer Mr. Suyash Yadav, has emerged in the sphere of Fine Arts and established itself as a reputed training Institute. It provides platform for the revival of performing arts and the artist's personality development.

Annasaheb Magar Mahavidyalaya, Hadapsar, established in 1971 by PDEA, strives towards Social Uplift through Higher Education. It upholds cultural and personal development of its students on priority basis. The Cultural Activities Committee has promoted talent and groomed actors and dancers to participate in intercollegiate, Intersiversity competitions. Our students have been honored at Sakal, Punshottam, Bharat Karandak, Jatan Yuva Mahostav and various Competitions. Some of them have also been placed in the Guinness Book of World Records.

Purpose: - The purpose of the MOU is to groom and promote trained and qualified talent in Music Arts. Youth and amateur, if trained professionally, will represent as well as foster the Indian culture. The artistes among the students will be the cultural ambassadors of the Institute, the College, the University, the State and the Nation. Professional training will open up new avenues of employment in Multimedia to the students, performing artistes, choreographers, actors and directors.

Scope:

1. The Institute will explore some opportunities of State, National and International level jointly with the College Cultural Committee.
2. The deserving artistes from the College will be given exposure in the events and films.
3. Audio recordings of events outside the city will be displayed to the artists from the College.
4. The College faculty will be available to assist the Silver Pixel Studio.
5. The MOU will be binding on the artistes / candidates.

Duration:
This Memorandum of Understanding (MOU) will remain with effect from 24th July, 2018. The MOU may be modified with mutual consent if and when required.

Agreed on this day, 24th July, 2018.

Watershed Management Program

Activity: Program Structure

About Gram GouravPratishthan and Pani Panchayat

Started in 1972 by the late visionary thinker Vilasrao Salunkhe as a charitable trust at village Naigaon, the organisation works in the severely drought-prone region of Purandhar Taluka, in Maharashtra. Vilasrao's vision was to remove the cause of the recurring droughts. Over the years, Pani Panchayat has worked relentlessly to create facilities which contribute to raising the economic and social conditions of the common people. The Naigaon experiment of equitable water distribution with active involvement and participation of local communities, was highly successful and the Government came up with a resolution termed as Naigaon Pattern. Today, Pani Panchayat has built a wealth capital by nearly 45 years of experimentation in participative water resources management and distributive justice.

The Program

At Pani Panchayat, we strongly believe that knowledge must be put to use and society must benefit from research. With this intention, Pani Panchayat has prepared this short program in Watershed Management.

Program objectives

Upon completion of this program, participants will gain essential knowledge about watershed ecology, relation of communities with their watershed and soil-water association. Participants will be able to identify water stresses, learn techniques of watershed management and monitoring. The program makes use of class room sessions, case studies and site visits.

Program Duration

The program is completed in 16.5 hours, which is equivalent to 1 credit. Evaluation on 50 marks.

Program Structure

Activity: Session 1 – Introduction

Session 1: Introduction
(UG/PG): UG

Session Description:

This session introduces participants to what is the expected learning upon completion of this program.

No	Description
1	Explain the learning outcomes
2	India, its climatic zones and water availability
3	Why is watershed approach important in Indian context?
4	Participant questions

Method of Instruction:

The course will be presented using a variety of methods, such as, lectures, case studies, current examples, class discussions and student presentations

Reading & references:

Provided by Pani Panchayat

Activity: Session 2 - Soil-Water Relation

Session 2: Soil-Water relation

(UG/PG): UG

Session Description:

Soil is one of the most important element in water conservation. India has a variety of soils, which is a result of millions of years of geoclimatic forces. In this session, participants will examine the relation of soil and water. What is the role of soil in a watershed region? How can soil be conserved?

Learning Objectives:

By the end of this session, participants will be able

1. To describe the role of soil in a watershed region
2. To explain the causes of soil erosion
3. To understand the types of soil
4. To identify ways of soil conservation

No	Description
1	What is soil, how is it formed
2	Types of soil.
3	Constituents of soil - organic matter, carbon, moisture, air, minerals
4	What is soil erosion and soil loss? Wind and water erosion.
5	What are the ways in which soil erosion can be prevented? Vegetative and mechanical means of prevention.
6	Discussion – Why are our hills barren?

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 3 - Drought & it's Management

Session 3: Drought and its management

(UG/PG): UG

Session Description:

Participants will examine the causes of drought; its impacts and what measures could reduce the risk of drought in a watershed region.

Learning Objectives:

By the end of this session, participants will be able

1. To define what is a drought situation
2. To describe the impacts of drought situation
3. To identify short term and long-term measures of drought risk mitigation

No	Description
1	What is a drought? Some recent severe drought cases in India
2	How do droughts impact the village economy?
3	What are the short term and long term measures of draught risk mitigation?

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 4 - Water footprint & Virtual water flows

Session 4: Water footprint and virtual water flows

(UG/PG): UG

Session Description:

Every product, industrial or agricultural, has a water footprint. It has consumed water in its production, distribution and consumption. Participants will understand the theory of water footprint and will be able to make simple calculations of water footprints of products.

Learning Objectives:

By the end of this session, participants will be able

1. To understand the concept of water footprint and virtual water flows
2. To calculate water footprint of products
3. To examine the water footprint of various crops
4. To determine the importance of water footprint and virtual water flows in watershed management.

No	Description
1	What is water footprint and virtual water flow?
2	What is green, blue and grey water?
3	How can we compute the water footprint of crops?
4	How is the nation's water footprint determined?
	Case – Calculate the Water footprint of a can of Coca Cola

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Activity: Session 5 - Watershed Ecology & Communities

Session 5: Watershed ecology and communities

(UG/PG): UG

Session Description:

This session introduces the participants to water, watersheds, their ecology and its relation to communities. Participants learn that watersheds are natural systems providing substantial benefits to people and the environment when key natural functions are maintained.

Learning Objectives:

By the end of this session, participants will be able

1. To understand what water is, difference between fresh and marine water and the hydrological cycle
2. To define what is a watershed region
3. To explain the ecology of a watershed, role of biodiversity in the watershed
4. To discuss the relation of inhabitants with its watershed areas

No	Description
1	Water – the primary natural resource, watershed and basic terminology
2	Role of biodiversity in watershed regions – forest, plantation, agriculture
3	Ecosystem approach - Energy and mass flows in watershed regions
4	Role of land use in watershed regions
5	Value of watershed region to humans
6	Relation of communities with their watersheds
7	Discussion – Do you know the watershed regions which supply water to Pune city?

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 6 - Practices in Watershed Planning

Session 6: Practices in Watershed planning – Survey techniques and parameters

(UG/PG): UG

Session Description:

This session is to understand how to conduct surveys and what must be measured in a watershed program. Participants will be able to describe various measures, units and instruments used in watershed management.

Learning Objectives:

By the end of this session, participants will be able

1. To read a toposheet of a region
2. To choose appropriate survey technique
3. To describe the important meteorological parameters in a watershed region
4. To define the important hydrological parameters in a watershed region

No	Description
1	Introduction to toposheets
2	Introduction to survey techniques
3	Chemical, physical and biological parameters - temperature, rainfall, wind speed, atmospheric pressure and relative humidity, dissolved and suspended constituents, organisms.
4	How can these be measured?
5	What are recharge and discharge areas?
6	Discussion – What parameters affect the change in hydrology of Pune city?

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 7 - Water Budget

Session 7: Water budget (UG/PG): UG

Session Description:

This session explains the principle and importance of calculating simple water budgets for a watershed region.

Learning Objectives:

By the end of this session, participants will be able

1. To understand the concept of water budget
2. To calculate the water budget of a village

No	Description
1	What is a water budget?
2	How is water budget useful in water management?
3	Case – Calculate the Water Budget of a hypothetical village

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 8 - Principles of Watershed Management

Session 8: Pani Panchayat Principles of Watershed management (UG/PG): UG

Session Description:

This session explains the principles of watershed management that Pani Panchayat has drawn out.

Learning Objectives:

By the end of this session, participants will be able

1. To understand equitable distribution of water resources over equal distribution
2. To describe the impacts of community versus individual extraction of water on water availability
3. To determine constituents of watershed management - techniques of soil, water conservation, percolation, storage and water use.

No	Description
1	What is equitable distribution of water
2	What is the Ridge to Valley approach
3	What are methods of improving water percolation
4	What are methods of water storage
5	What are the differences in using surface and ground water
6	Case Discussion – How water availability of Khalad improved with watershed management

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Reading & references:

Provided by Pani Panchayat

Activity: Session 9 - Water Conservation & Efficiency

Session 9: Water conservation and efficiency

(UG/PG): UG

Session Description:

In this session participants will understand what water efficiency is and realise the importance of crop planning and lifestyle on water management.

Learning Objectives:

By the end of this session, participants will be able

1. To understand the concept of water efficiency
2. To identify thirsty crops
3. To examine the impact of urban lifestyle on water resource management

No	Description
1	What is water efficiency? How is it related to type of irrigation?
2	What are the different methods to achieve water efficiency?
3	Cropping pattern, crop rotation
4	Rain water harvesting
5	Urban lifestyle and water use
6	Prioritizing water distribution
7	Value and pricing of water

Method of Instruction:

The course will be presented as a lecture with a case discussion.

Annasaheb Magar Mahavidyalaya, (Dept. of Chemistry), Hadapsar, Pune has entered into a Memorandum of Understanding (MoU) with RXN Chemicals Pvt. Ltd., Hadapsar, Pune for promoting and reinforcing cooperation, mutual exchange of Information and Technology, joint collaborative work in providing opportunity to students of Annasaheb Magar Mahavidyalaya in pharmaceutical industry, teamwork, and event management. The signing ceremony was held at Annasaheb Magar Mahavidyalaya, (Dept. of Chemistry) Hadapsar, Pune on 20th February, 2017 in presence of officials from Annasaheb Magar Mahavidyalaya and RXN Chemicals Pvt. Ltd. Hadapsar, Pune. For the signing of the MoU, Prin. Dr. B. S. Bendre representative Annasaheb Magar Mahavidyalaya and Director Mr. Balasaheb Kakade representative RXN Chemicals Pvt. Ltd., Hadapsar, Pune at the ceremony. It is mutually agreed by and between the organizations as under:

- To plan, undertake, aid, promote and co-ordinate education, research, and its application in the field of Science.
- To provide, undertake industrial project for B.Sc. & M.Sc. Students.
- To collaborate, share information and technology to develop the required skills and intend to create a centre of excellence to support this collaborative effort.
- Encourage the students and faculty members of either of the Institute to visit the other Institute for talks in various predetermined Programmes.
- Organize guest lectures, seminars, workshops and conferences on early age science education and research.
- Share the library and scientific literature facilities mutually by giving access to library and other resources of Institutes.
- **Duration:**
This Memorandum of Understanding (MOU) will begin from 20th February, 2017 and will remain in effect until 19th February, 2022. The MOU may be modified with mutual consent if and when required.

Agreed on this day, 20th February 2017

In this letter, with the warm respects, I confirm a long-term collaboration of mycologist of the Komarov Botanical Institute Dr. Ivan V. Zmitrovich and Assistant Professor Dr. Kiran Ranadive from Department of Botany of Waghire College, Saswad. For our institute, the further cooperation of the mentioned persons in direction of collaborative study of tropical mycobiota seems to be promising.

Summary: The system of the family *Polyporaceae* is presented and the overview of the order *Polyporales* is carried out. The family *Polyporaceae* s. str. was subdivided into three subfamilies, *Polyporoideae*, *Trametoideae*, and *Lopharioideae*. The largest subfamily *Polyporoideae* was subdivided into the tribes *Polyporeae*, *Epitheleae* (trib. nov.), *Lentineae*, and *Ganodermateae*. In the *Polyporaceae* family, two new genera were described as *Pilatotrama* and *Szczepkamyces*. Such subgenera as *Cerioporus* subgen. *Datronia*, *Lentinus* subgen. *Polyporellus*, *Ganoderma* subgen. *Haddowia*, *Ganoderma* subgen. *Humphreya* were informally described too. In the *Polyporales* order overview, such families as *Ischnodermataceae*, *Incrustoporiaceae*, large *Fomitopsidaceae*, *Gelatoporiaceae*, *Grifolaceae*, *Polyporaceae*, and large *Meruliaceae* were recognized. In the *Polyporales* overview, a range of new genera was described as *Gloeoporellus* (*Incrustoporiaceae*), *Ranadivia* (*Fomitopsidaceae*), *Cinereomycetella* (*Gelatoporiaceae*), *Efibulella*, *Hermanssonia*, *Pappia*, *Resiniporus*, *Trullella*, *Vitreoporus* (*Meruliaceae*). In total, 85 new combinations were made. The problem of taxa ranking in the *Polyporales* was proposed for further theoretical discussion.

This Memorandum of Understanding ("MOU") is entered into on 26/6/2018, by and among P.D.E.A.'s **Annasaheb Magar College, Hadapsar, Pune**, an affiliated college of Savitribai Phule Pune University and **KPS AUTO LLP PVT. LTD; Sr.No.37, Opp. ACE Kudale Car, Maruti Showroom, Manjari Bk, Pune-412307**.

Recitals:

1. The parties to this MOU wish to initiate skill based programmes in **Auto Technology (MCVC)**. Basically MCVC conducting six courses, as Pune is Automobile hub such type of activity is helpful for education as well as Automobile Industry field.
2. The purpose of this MOU is to establish a framework for such a collaborate relationship, training and activity to improve the skills of the students and from such activities automobile industries may get a skills staff for them.

MOU 16: K.P.S. AUTO LLP PVT. LTD.

MOU Provisions:

With due respect of each other's independence and mutual benefits, both the institutes will carry on the following activities:

- Development of curriculum of skill oriented courses in **Auto Technology (LPG,CNG)Training.**
- Faculty sharing
- Infrastructure sharing
- Imparting career oriented education and skills to students in directly entering the workforce.
- Need based training of faculty- monthly two visits of experty from **KPS AUTO LLP PVT.LTD. PUNE**
- Collaboration for placement.

This MOU is effective for a period of two years from the date signed by the parties, unless extended by written agreement of the parties.

Guest lecture "Opportunities in Physics"

Date 20/04/ 2019

A guest lecture on the topic of **Opportunities in Physics** was carried by senior officer **Dr. Anamika Gupta**, KPS Auto Pvt. Ltd. Manjari Bk. It was held on 20/04/2019 at Annasaheb Magar Mahavidhyalya Hadapsar. Twenty students were present for the guest lecture in Physics Lab II at 10.30 a.m. In this Program chair person Principal Dr. P.N. Shelake and PG Co ordinator Dr. R. P. Joshi Welcome and introduce the Spoke person Dr. Anamika Gupta.

In his speech he mentioned about future scope in physics and business idea. All students tried to perform as instrument handling and their activity. Student really had amazing experience over there.

MOU 20: MARGAM INSTITUTE OF DANCE AND DRAMA

**Memorandum of Understanding
Between
P.D.E.A.'s
Annasaheb Magar Mahavidyalaya,
Hadapsar, Pune-28
And
Maargam Institute of Dance and Drama, Hadapsar, Pune-28**

Maargam Dance and Drama Institute, established in 2010 by renowned choreographer Ms. Shilpa Danave, has emerged in the sphere of Fine Arts and Cultural Activities and established itself as a reputed training Institute. It grooms talent in Indian Traditional, Folk and Contemporary Western dance forms. Maargam provides platform for the revival of performing arts and the artist's personality development. It aspires to establish a Gurukul (Academy) of performing Arts launching degree courses in Dance and Drama.

Annasaheb Magar Mahavidyalaya, Hadapsar, established in 1971 by PDEA, strives towards Social Uplift through Higher Education. It upholds cultural and personal development of its students on priority basis. The Cultural Activities Committee has promoted talent and groomed actors and dancers to participate in intercollegiate, Intersarsity competitions. Our students have been honored at Sakal, Purshottam, Bharat Karandak, Jatan Yuva Mahostav and various Competitions. Some of them have also been placed in the Guinness Book of World Records.

Purpose: - The purpose of the MOU is to groom and promote trained and qualified talent in Performing Arts. Youth and amateur, if trained professionally, will represent as well as foster the Indian culture. The artistes among the students will be the cultural ambassadors of the Institute, the College, the University, the State and the Nation. Professional training will open up new avenues of employment in Multimedia to the students, performing artistes, choreographers, actors and directors.

Scope:

1. Maargam will explore some opportunities of State, National and International level jointly with the College Cultural Committee.
2. The deserving artistes from the College will be given exposure in the events and films.
3. Video recordings of events outside the city will be displayed to the artists from the College.
4. The College faculty will be available to assist the Maargam training programs.
5. The MOU will be binding on the artistes / candidates.
6. The artistes / candidates shall in no way derogate the Maargam or the College.
7. The trainers of Maargam will be available for the activities as per the convenience of Maargam and the College.

Duration:
This Memorandum of Understanding (MOU) will remain with effect from 13 October, 2018. The MOU may be modified with mutual consent if and when required.

 Agreed on this day, 13 October, 2018.
