Exam/MIC/09

Date 23rd October, 2021

To
The Principal/Recognized Institutes affiliated to the
Savitribai Phule Pune University
Pune, Nasik and Ahmednagar Districts.

Sub: Examination Fees Exemption in respect of candidates whose parents (mother or father or both) lost due to Covid-19 diseases.

Ref: Decision taken by the University authorities to give relief to students enrolled for the examination during the first term of the academic year 2021-22 (Winter 2021 Session).

Sir/Madam,

The authorities of the Savitribai Phule Pune University had taken decision to give relief to candidates who have lost their parents (mother or father or both) due to Covid-19 diseases. **Following procedure is finalized by the examination section.**

Before filling the examination form of these students, it is made **mandatory** to send request from college inward login as per details given below.

College Inward Login >Request>Lost parents due to COVID.

Students shall be instructed by the concerned affiliated college/institute to fill the examination form only after getting the confirmation from college that the request for the exemption in examination fees for the specific reason mentioned above is sent by the college through college login. These students are exempted from payment of the examination fees for examination form filled for the first term of the academic year 2021-22 (October-November session).

The Principals/Directors of all affiliated colleges/recognized institutions are hereby advised to verify the authenticity of documents submitted by these students before sending request through the college login for the exemption in examination fees.

Yours

- Please ensure and maintain the confidentiality of the test report.
- Testing of referred clinical specimens was considered on the basis of request / referral received from / through State Surveillance Officer (SSO) of concerned State Integrated Disease Surveillance Programme (IDSP) affirming requirements of the case definition/s.
- A single negative test result, particularly if this is from an upper respiratory tract specimen, does not exclude infection.*
- Repeat sampling and testing of lower respiratory specimen is strongly recommended in severe or progressive disease. The repeat specimens may be considered after a gap of 2 - 4 days after the collection of the first specimen for additional testing.*
- The sputum (if produced), endotracheal aspirate (ETA) or bronchoalveolar lavage (BAL) fluid would be appropriate for testing.*
- A positive alternate pathogen does not necessarily rule out either, as little is yet known about the role of coinfections. Testing for non-viral agents has not been undertaken.* (<https://apps.who.int/iris/bitstream/handle/10665/330374/WHO-2019-nCoV-laboratory-2020.1-eng.pdf> accessed on 20/01/2020)
