#### Visit to campus of Annasaheb Magar Mahavidyalaya, Hadapsar and surrounding area

A Botanical excursion was organized by the Department of Botany to observed plant diversity in the campus of Annasaheb Magar Mahavidyalaya, Hadapsar, Pune 411028 and surrounding area. The visit was organized for students of T. Y. B. Sc. Botany on 07<sup>th</sup> Jan. 2021.

In all 10 Female and 03 Male students, 03 staff members were participated in this visit. The main aim of this excursion was to make the students aware of the actual existing biodiversity in the college campus and surrounding area. Students also studied the green campus initiatives taken by college authorities and various conservation strategies by acknowledging the role in future about its maintenance. It was an adventurous and exhilarating experience in which the budding botanists got a chance to get themselves acquainted to the flora and fauna of the college campus.

Dr. Shirurkar D. D., Dr. Randive K. R. and Dr. Danai-Tambhale S. D., helped students in the identification of plants and throwing light on important ecofriendly segments of the Annasaheb Magar Mahavidyalaya campus.

The excursion was extremely informational and satisfying the internal urge of Botany students.
